### RECOMMENDATION

The Board considers that the proposed ordinary resolutions for the re-election of Directors, the re-appointment of the auditor of the Company, the declaration of final dividend, and the granting of the General Mandate and the Buy-back Mandate are in the best interests of the Company and the Shareholders as a whole, and accordingly, recommends all the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,  
By Order of the Board  
**Yihai International Holding Ltd.**  
**Shi Yonghong**  
*Chairman*

*The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Buy-back Mandate.*

## **SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,046,900,000 Shares of nominal value of US\$0.00001 each which have been fully paid. Subject to the passing of the resolution granting the Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, the Company will be allowed to buy back a maximum of 104,690,000 Shares which represent 10% of the issued share capital of the Company during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the revocation or variation of the Buy-back Mandate by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first; or (iii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles of Association or the applicable laws of the Cayman Islands.

## **REASONS AND FUNDING OF BUY-BACKS**

The Directors believe that it is in the Company's and the Shareholders' best interests for the Directors to have the general authority to execute buy-backs of Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where the Directors believe that such buy-backs will benefit the Company and the Shareholders.

The buy-back of the Shares listed on the Stock Exchange must be funded out of funds legally available for the purpose in accordance with the memorandum of association and Articles of Association of the Company and the applicable laws of the Cayman Islands. The Directors may not buy back the Shares on the Stock Exchange for consideration other than cash or for settlement other than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make buy-backs with profits of the Company or proceeds from a new issuance of Shares made for the purpose of the buy-back or, if authorized by the Articles of Association and subject to the Companies Law, out of capital. In the case of any premium payable on the buy-backs, it may be paid out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Law, out of capital.

The Directors have no present intention to buy back any Shares and they would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company.

The Directors believe that, if the Buy-back Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2018, being the date to which the latest published audited consolidated financial

statements of the Company were made up. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

#### **GENERAL**

To the best of their knowledge, and having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, if the Buy-back Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make buy-back pursuant to the Buy-back Mandate in accordance with the Listing Rules, the memorandum of association and Articles of Association of the Company and the applicable laws of the Cayman Islands.

No core connected person, as defined in the Listing Rules, has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Buy-back Mandate is approved by the Shareholders.

#### **TAKEOVERS CODE**

If as a result of a buy-back of Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares pursuant to the Buy-back Mandate.

To the best knowledge of the Company, as at the Latest Practicable Date, the Controlling Shareholders were interested in 372,847,021 Shares representing approximately 35.61% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Buy-back Mandate in full, the aggregate shareholding interest of the Controlling Shareholders would be increased to approximately 39.57% of the total issued share capital of the Company.

The Directors consider that such increase in shareholding may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not have any present intention to exercise the proposed Buy-back Mandate to such an extent as would give rise to such an obligation. Save as disclosed above, the Directors are not aware of any consequences which may arise under the Takeovers Code even if the Buy-back Mandate is exercised in full.

**SHARE BUY-BACK MADE BY THE COMPANY**

No buy-back of Shares have been made by the Company in the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

**PUBLIC FLOAT**

The Directors do not have a present intention to exercise the Buy-back Mandate to the effect that will result in the public float to fall below the percentage as required under the Listing Rules or such other minimum percentage agreed by the Stock Exchange from time to time.

**SHARE PRICES**

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve calendar months before the Latest Practicable Date were as follows:
